2. Once downloaded, search for the Children's Museum of Manhattan in the search bar within the app and select the correct icon.
3. From the landing page, there will be three tabs below. Select 'Find My Membership Cards'.
4. The app will prompt you to enter your membership number and your last name. Be sure to fill out both lines of information.
5. Select 'Find'.
6. Select 'Download my Card' when your information appears.
7. Tap on the picture of the envelope.
8. Now you can see your membership cards and add them to your apple wallet if you'd like.

The digital cards will serve as a replacement for the paper copies sent out in years past. Your digital cards will be available right after your purchase.
